Cactus Fly-In and Car Show, Casa Grande

Andy Neal, Jr. spearheaded our Model T & A Clubs' participation in this event. The weather was great. Although Andy provided directions to this event, but he did not provide return directions. So, several club members took various routes back home. There were eight antique cars: seven Model As and one Model T with no breakdowns. The Cactus Fly-In organizers were excited to have our clubs participate and we will be invited back next year.

Hobo Stew Picnic at Colossal Cave Mountain Park

Joe Findysz organized this event along with gathering and moving essential supplies to the Colossal Cave Picnic Area, then cooking the stew. Joe also overcame a prior to event challenge, upon discovering his antique pick-up truck would not make the trip, prompting use of a modern Ford Bronco. Andy Neal, Jr. used an engine mounted Model T Cooker to cook sausage during his trip to Colossal Cave which was used in the stew. The weather was perfect, 46 people attended with 14 Model As and three Model Ts.

Ford Model A Era License Plate Seminar

Bob LaBrash, an avid license plate collector, provided a license plate seminar during our General Meeting. Mr. LaBrash identified Arizona plate markings regarding counties, solid, and pneumatic tires along with several rare license plates.
