## **Model A and T Overnight Trip to Phoenix, Oct 24-25, 2025**

The Club left Tucson at 7:30a.m. to begin our journey to the Musical Instrument Museum. We arrived safely and members decided whether they wished to begin viewing or eating first. The Music Museum was incredible. The upper level of the Museum was divided into geographic regions (Africa, Middle East, Asia, Oceania, Latin America, Europe, and North America). Each country/region had videos of the instruments and cultural events. We had been given audio headsets so that as we approached each exhibit, we could hear the music as we viewed the video. The lower level had instruments and videos of various artists and their instruments. There was a room devoted to mechanical music, which also had a 25-foot orchestrion called Apollonia. There was even a room where you could experience playing different instruments. The food court had a nice variety of very tasty food.

Our next stop was Martin Auto Museum at which we were able to view over 175 vehicles including a wooden popcorn making truck, Model As' Fords, Chevys' , Vws' Cadillacs', etc., even a carousel. We spent a number of hours there and then it was time to check in at The Hampton Inn.

The rooms at the Inn were extremely nice, clean and each room came with a sofa to relax on and also all the necessary amenities. The group decided to take a short walk over to the Cheesecake Factory for dinner. Everyone enjoyed their orders.

The next day we all ate the included buffet at the Inn. The selection was varied and delicious. After breakfast we checked out and began our journey to The Olive Mill in Queen Creek. The tour was informative and interesting. Members then went on to select many items at the store and ordered tasty lunches.

After lunch and our purchases, we said our goodbyes and proceeded home.

Thank you all for attending and for providing the group with wonderful conversation and friendship.

Submitted by, Sandy and Ray Feierstein

# GENERAL MEETING MINUTES

November 4, 2025
